PURPOSES OF CALIFORNIA CREAMERY OPERATORS ASSOCIATION

- A. To promote and develop the dairy industry with emphasis on those phases involving processing and related activities.
- B. To extend mutual acquaintance, cooperation and harmonious relationship among manufacturers, processors, producers and allied industries to the end that a better informed dairy industry may obtain greater achievement in the development of the dairy resources of the State of California.
- C. To collect and disseminate information relative to the dairy industry and to encourage provocative, objective thinking relating thereto and to this end, conventions, discussions, and meetings shall be held.
